**A. CTP PROJECT PROPOSAL LIST/MAPS**

The CTP Committee reviewed the Tyrrell County project proposal list and draft CTP maps (Highway, Bicycle and Pedestrian).

**Highway –**

- It was noted that Newlands Rd is currently being built. This project will be removed from the CTP project proposal list.
- It was noted that US 64 between the Scuppernon River Bridge and East of Columbia is currently designated as a freeway. The committee supports converting this section to an expressway.

**Bicycle –**

- All of NC 94
- US 64 from the Washington County Line to Road St
- Road St from US 64 to New Rd
- New Rd from Road St to Sound Side Rd
- Sound Side Rd from New Rd to Newfoundland Rd
- Newfoundland Rd from Sound Side Rd to Old 64
- Old 64 from Newfoundland Rd to US 64
- US 64 from Old 64 to the Dare County Line
- Fork Creek Rd from the Washington County Line to Newlands Rd
- Newlands Rd
- Bodwell Rd

Pedestrian –

- Church St pedestrian facilities stop at the church. The committee wishes to continue the pedestrian facilities to Bridge St.
- Elementary School Rd is a multi-use path.
- It was noted that the pedestrian facilities for Ludington Dr may already be built.
- L.A. Keiser Dr is two weeks away from completion.
- Main St pedestrian facilities need improvement.
- Would like a multi-use trail along NC 94 from Newlands Rd to Scotsville Rd
- Would like a multi-use trail along Road St
- Broad St pedestrian facilities need improvement

Transit – A park & ride lot near the east side of town was discussed.
